2. **Organizing Department / Cell :** Department of Botany
3. **Date/Duration :** January 28, 2023
4. **Number of Participants:** 58
5. **Detail Description of the Event:**

On January 28, 2023 an online workshop was conducted for the students by the Botany department. The workshop was primarily to help the students to understand the research methodology and provide them knowledge about the available opportunities for entrepreneurship.

The resource person of the workshop was Mrs. Sahitya Kamala (pharmacist), working in the pharmaceutical industry and specialized in vaccines and medication for diseases. Currently she works at Novartis, one of the world's largest health care units in Hyderabad. Mrs. Sahitya Kamala guided the students for conducting research as an undergraduate which is an excellent way to gain experiences and skills that will benefit both academically and professionally. In addition to exploring areas of interest, undergraduate research develops skills in collaborative learning and critical thinking. The students had good interactive session with the resource person where they obtained very precious knowledge for their future in Medical Research and other fields available for jobs.

At the end of the program the resource person and the students felt very happy for such an opportunity to interact and have exchange of knowledge and information.
