- 2. Organizing Department / Cell :** Department of Botany
- 3. Date/Duration :** March 15, 2022
- 4. Number of Participants:** 21
- 5. Detail Description of the Event:**

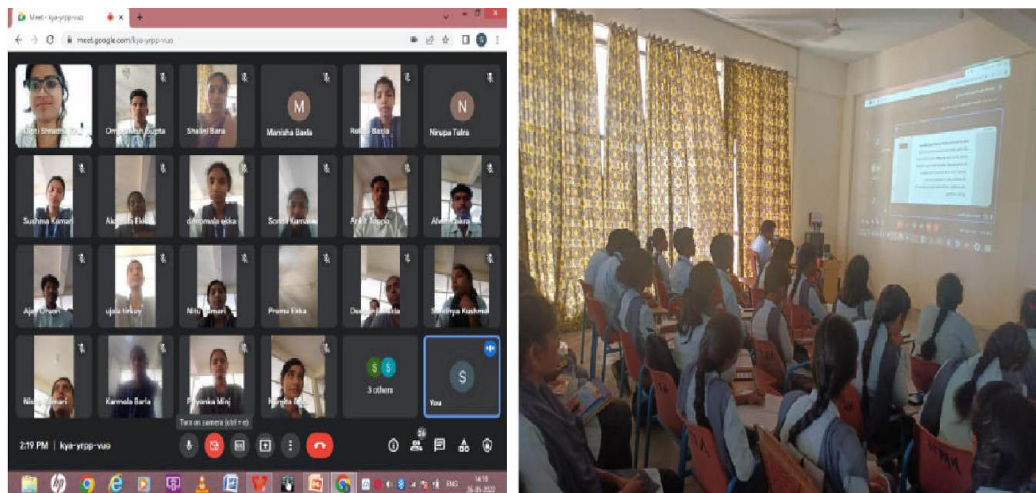

The Department of Botany conducted an online workshop for all the final year students on March 15, 2022. The workshop was conducted primarily to help students understand the research methodology and provide them knowledge about the available opportunities for entrepreneurship. There source person was Asst. Prof. Dipti Shradha, a competent research scholar. She explained theme and methodology for raising a plant nursery. She mentioned a well designed site for a plant nursery which can produce healthy and quality seedlings that can be developed and grown under favorable conditions and maintained well until they are ready for planting in the fields. The methods of vegetative propagation were well explained; that is how natural clones of the parent plant are used for production of new plants which have the same genetic material. The rules, regulations and procedures to start a plant nursery business in India were also clearly explained to the students.
