5. **Detail Description of the Event:**

A webinar on Intellectual Property Right was organized by Department of Botany on January 27, 2023. The main purpose for the event was to make aware the participants of their rights related to the Innovation.

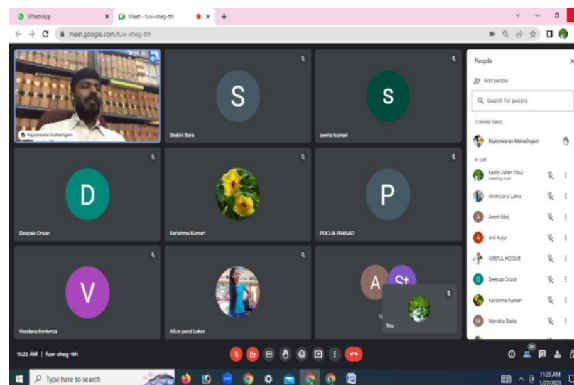

Mr. Rajasekhar M. was the resource person for the day. He is currently an Advocate of Madras High Court. He started from the being by defining patent "A Patent is a statutory right for an invention granted for a limited period of time to the patentee by the Government". If anyone has innovated a new thing, they should must get it patent before someone else, does it. An invention is patentable subject matter if it meets the criteria that- It should be novel, It should have inventive step or it must be non-obvious, It should be capable of Industrial application and It should not attract the provisions of section 3 and 4 of the Patents Act 1970. He also informed that Indian Patent is not applicable throughout the globe and the time period for patent is 20 years. Once the patent application is filled the documents are kept secretly for about 18 months and when approved it open for the public use to see the documents. Mr. Rajasekhar also talked about some of the rights which has to be used by the innovator. The vote of thanks was proposed by Asst. Prof Shalini Bara.
