2. **Organizing Department / Cell :** Faculty of Science
3. **Date/Duration :** October 06, 2020
4. **Number of Participants:** 35
5. **Detail Description of the Event:**

In order to inculcate spirit towards study and life, a student's development program was organized by the faculty of science on October 06, 2020 on the topic: “Science is a herb: Intellectual Health care”. This program was conducted in a virtual platform. The resource person was Dr Fr Binod Bilung, Registrar and Assistant Professor of Mathematics, St Xavier's College, Ranchi and Ms A Amrita Anandi, Research Scholar Department of Botany in Bishop College, Tiruchirapalli. Fr Binod talked about the requirement of intellectual capacity, attitude, aptitude and confidence in order to study science. He specially talked about developing logical thinking and self analysis to advance in their field. Miss Anandi talked about Nutraceuticals and explained how our food can be our medicine.
