

# St. Xavier's College, Mahuadanr Latehar-822119, Jharkhand

1. **Title of the Program :** Thin films and Nanomaterials in Modern Technology
2. **Organizing Institute :** IQAC ( St. Xavier's College, Mahuadanr)
3. **Date/Duration :** May 05, 2021
4. **Number of Participants:** 36
5. **Detail Description of the Event:**

On May 05, 2021 a faculty development program was conducted through Google Meet platform by resource person Dr. D. Paul Joseph, Assistant Professor of Physics, Warangal, Telangana on the theme "Thin films and nanomaterials for modern technology". It was note worthy that in his presentation he discussed the materials which he himself designed and synthesized. He also encouraged them to develop such ideas among students. Further, he talked about modern technology and electronic gazettes which are very useful to them. More specifically he discussed the functionality of the electronic gazettes like mobile phone's LCD (Liquid Crystal Display).
