5. **Detail Description of the Event:**

Seminar on IPR was organized by Department of mathematics on December 12, 2022 at F6. The purpose of the program was to help students understand the different aspects of IPR. Intellectual Property Rights (IPR) refers to the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time. These legal rights confer an exclusive right to the creator or his assignee to fully utilize his creation for a given period of time.

The program began with the welcome speech given by the Asst. Prof. Anjna Ekka. The speaker of the program Asst. Prof. Aaliya Nadim explained about IPR, its various types and property rights to curb illegal activities. She also explained why it is important in today's life and in science and technology & how small and micro entities pursue patents. Students enjoyed the informative session and learned from it. The program was concluded by the vote of thanks given by Asst. Prof. Neha Minj.
