**Priyal Raj Soni**

**B.Sc. 2<sup>nd</sup> Year**

**Session: 2022-2026**

## ACKNOWLEDGEMENT

I would like to express my special thanks of gratitude to my teacher **Asst. Prof. Aaliya Nadim** as well as our **Principal Dr. Fr. M.K. Jose** who gave me the golden opportunity to do this field project on the topic "**Science City**", which also helped me to develop my skills and knowledge.

I am also grateful to my classmates and friends for their help in finding sources and gathering data and to complete this project within the limited time frame.

Last but not the least; I want to thank all my supporters who have motivated me to fulfill the project before the timeline.

**Date: 6<sup>th</sup> December 2023**

## CONCLUSION

In conclusion, the visit to Kolkata Science City provided an enriching educational experience, bridging the gap between classroom learning and practical application. It highlighted the significance of mathematics in understanding and solving real-world problems, thereby inspiring students to pursue advanced studies and careers in mathematical sciences.
